**COMMUNITY OUTREACH**

# COMMUNITY OUTREACH MISSION

Miami Valley Gaming takes great pride in working with local communities where we operate. We focus on partnering with organizations and initiatives that seek to benefit others in the community where we all live. Our goal is to enrich and strengthen the community as a whole.

Dear Community Partner,

Our community has always been at the heart of who we are. Every day, we see the needs, hopes, and challenges around us—and we strive to be a steady, caring presence every step of the way. Supporting our community isn't just part of our mission; it's a responsibility and a privilege we embrace with gratitude and dedication.

We are deeply thankful for the community partners who walk alongside us. Your compassion, commitment, and collaboration make it possible to reach more people and bring comfort, resources, and opportunities where they're needed most. Simply put, we couldn't do this work without you. And we're grateful to our guests whose generosity helps us support these organizations.

Thank you for allowing us to share in this important effort, as reflected in the following pages. We remain honored and committed to showing up, listening, and serving with heart.

Sincerely,

# Service Appreciation

We also partner with **Critters & Cruisers** where our contributions help fund the purchase of K-9 dogs and essential safety gear for the **Hamilton Police Department**. This support ensures both the K-9 units and their officers receive the training and equipment needed to keep our communities safe.

FOLDS of HONOR

# Service Matters

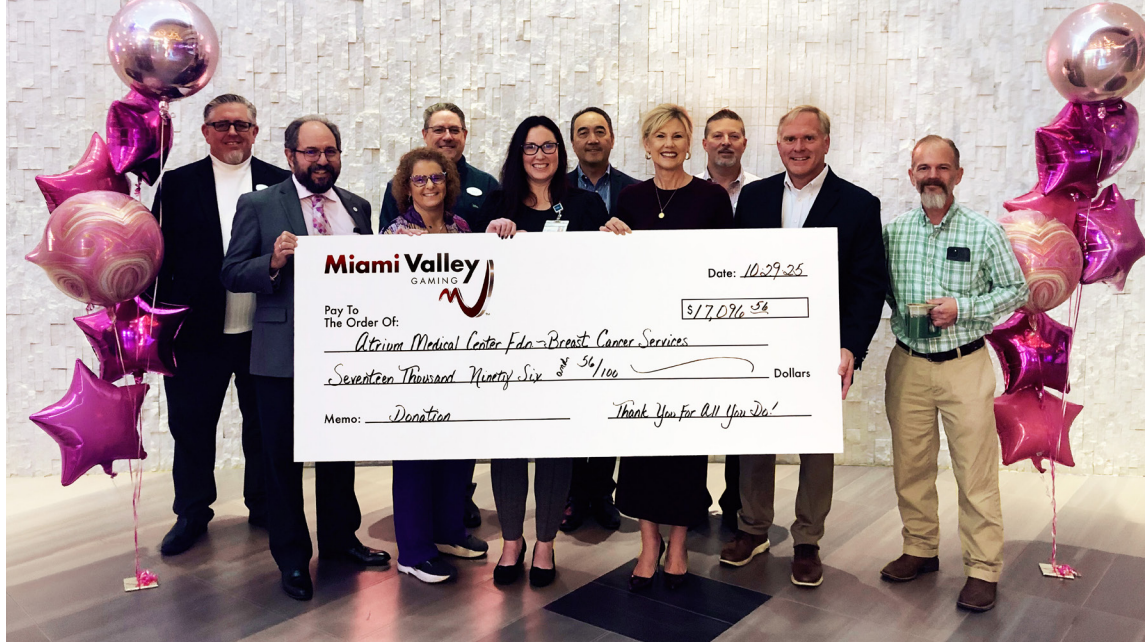

**Veterans Connect** at the Countryside YMCA offers veterans a free, welcoming space to focus on fitness, mental health, nutrition, and genuine camaraderie. **Fisher Nightingale House** provides comfort and closeness for service members, veterans, and their families during medical care. **Folds of Honor** recognizes their sacrifice by awarding meaningful educational scholarships to the spouses and children of veterans and first responders. Miami Valley Gaming is grateful for the opportunity to support each organization and contribute to their impactful missions.

# Stronger Together

We are proud to support organizations that provide compassionate medical care during life's most challenging moments. Their dedication to patients and families inspires our commitment to community well-being.

Our support extends to several exceptional partners, including:

- Pink Ribbon Good
- The Karen Wellington Foundation
- WHIIMS  
*(Women's Health Issues In Miami-Valley Sisterhood)*
- Atrium Medical Center Foundation for Breast Care Services
- TriHealth's Mary Jo Cropper Center for Breast Care & Cancer Family Care

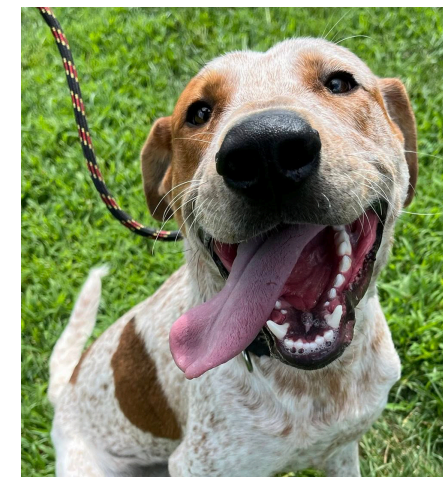

# Special Efforts for Special Needs

MVG partners with organizations that empower individuals with special needs. Our support includes **Abilities First** and its comprehensive care and education programs; **Safe Haven Farms**, which provides supportive services and meaningful opportunities for adults with developmental disabilities; and **GiGi's Playhouse**, offering free, life enriching programs for individuals with Down syndrome.

# Second Chances

For more than three decades, **PAWS, Progressive Animal Welfare Society**, has served as a lifeline for abandoned and homeless animals, rescuing over 17,000 since 1989 and giving each a second chance at care and safety. We support their mission through the annual **Barks, Bourbon & Spirits** event and financial contributions that advance their life saving work. This partnership reflects our belief in compassionate care for both people and the animals that strengthen our community.

MVG also hosted K99.1 FM's fundraising concert benefiting **4 Paws for Ability**, which places highly trained service dogs with children and veterans with disabilities.

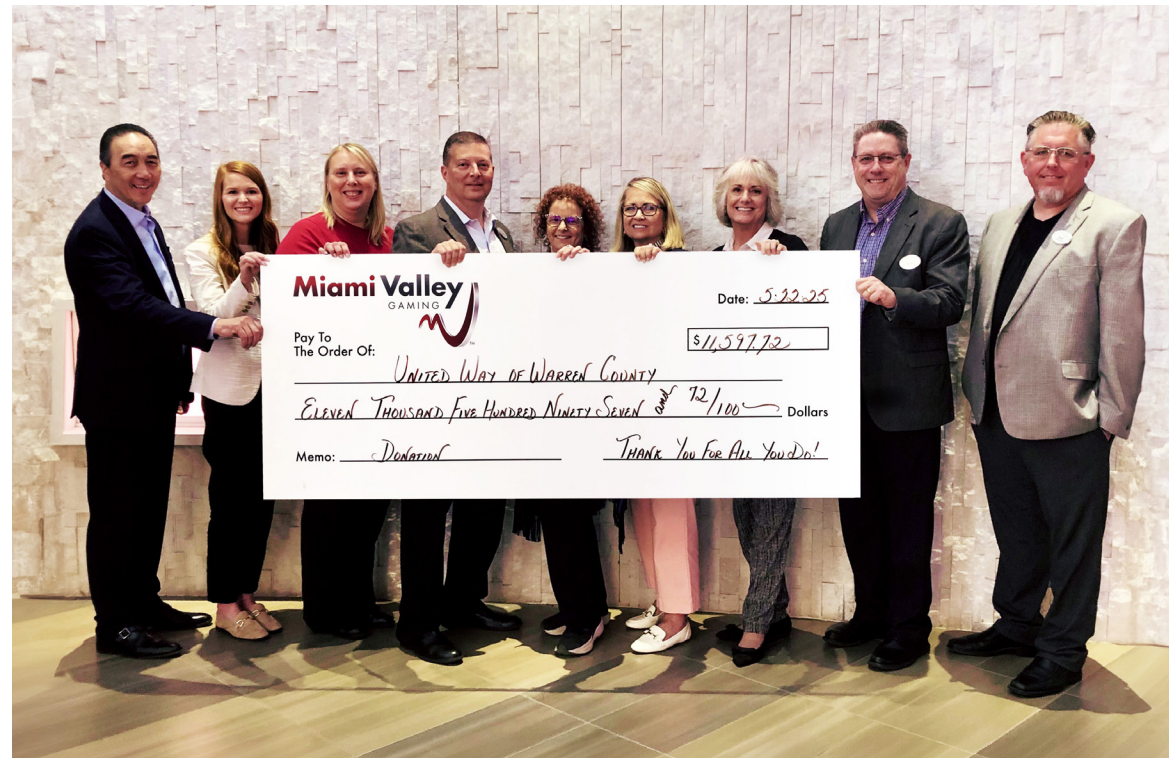

# United In Purpose

We proudly host the annual **Live United Golf Scramble**, supporting the **United Way of Warren County** and its network of 19 community partners. United Way connects people, resources, and services to ensure local families receive essential support.

# Changing Lives

Our commitment continued through the **Miami Valley Gaming Give a Kid A Christmas** toy drive, which collected more than 600 toys to help United Way bring hope to families during the holiday season.

# Bringing It All Together

Our commitment to community also includes supporting the local festivals and traditions that make this region a vibrant place to live and work. Each year, we contribute to a variety of events that bring families, neighbors, and visitors together.

Our support includes:

- Harmon Museum's Annual Festival of the Arts
- Lebanon Chamber's Lebanon Carriage Parade
- Warren County Agricultural Society's Warren County Fair
- Lebanon Rotary's Country Music Festival
- Optimist Club's Blues Festival
- Reimagine Middletown  
*(formerly Holiday Whopla)*
- The Ohio Challenge  
*(hot-air balloon and sky diving festival in Middletown)*

# Nourishing The Community

The Lebanon Food Pantry, Feed the Hungry Project, Family Promise, Oasis House of Dayton, and SAFE on Main work tirelessly to reduce food and housing insecurity in our community, ensuring families in crisis have access to meals, shelter, and critical support. We are committed to supporting their efforts and the stability they help create for local families.

# Relief In Action

Miami Valley Gaming provided financial support and in-kind donations of kitchen wares to **Matthew 25: Ministries**, an international humanitarian aid and disaster relief organization. This contribution supports their mission to alleviate hardship among individuals and disaster-affected populations in the region.

# Volunteers For Good

Our team demonstrates its commitment to community service through hands on involvement throughout the year. Staff supported important local programs such as Earth Day at Colonial Park East in Lebanon, Shoes 4 the Shoeless, and the Atrium Medical Center Foundation's Highway to Help initiative. Their efforts reflect our belief that strong communities are built through both financial support and meaningful action.

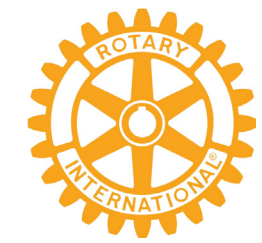

# Drive for Success

Taking care of our community also means showing up for **Chambers, Rotary, and Kiwanis** organizations to support the work they do. The money raised through these golf events help local businesses grow, supports families, and provides scholarships that open doors for students right here at home. We're proud to be part of something that strengthens our local economy and supports the people who make our community such a great place to live and work.

Our support includes:

- Greater Hamilton Chamber
- West Chester-Liberty Alliance Chamber
- Northwest Warren County Chamber
- The Chamber (Middletown, Monroe & Trenton)
- Dayton Area Chamber
- Rotary Club of Mason-Deerfield
- Mason Kiwanis
- Springboro Rotary

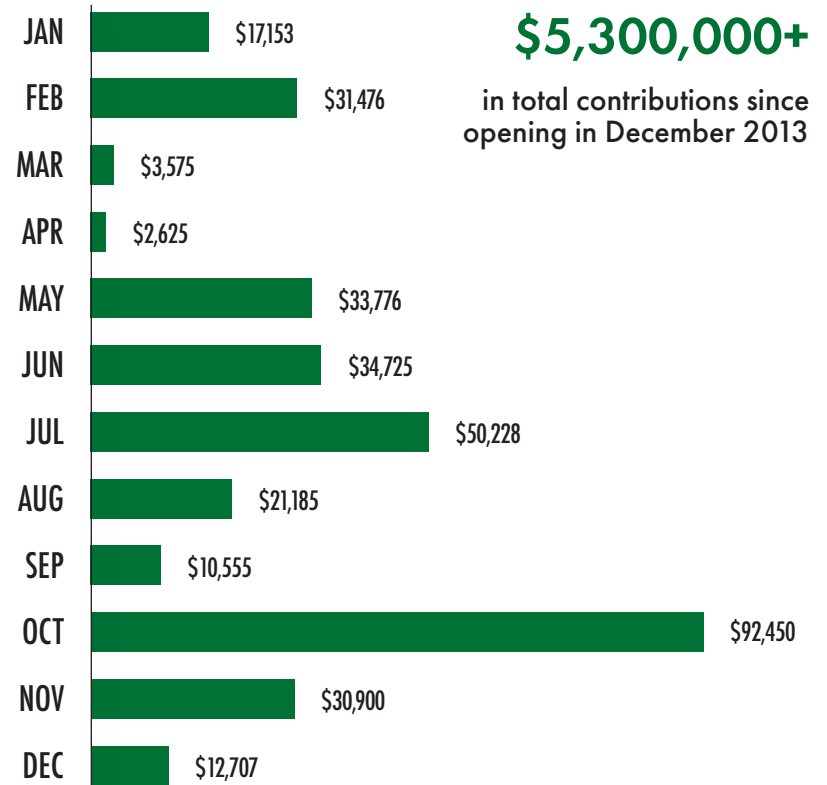

# Fore The Community

Golfing to support organizations that lift others up is always a true fairway highlight. This outing helps strengthen groups that make a real difference every day. From **Frontline Hope for First Responders**, which cares for those who protect and serve us, to the **Transplant Community**, offering guidance and support to individuals and families navigating the transplant journey. It also benefits the **Warren County Career Center**, helping students build futures they're proud of, and the **Knights of Columbus Council 14400/Purple Heart of Ohio**, who honor and support our Purple Heart veterans. Together, these efforts reflect the heart of our community, people helping people.

# 2025 Support by Month

Over \$341,000 in total contributions for 2025
